

Associate of Arts Degree for Transfer – History Concentration

Program Provider: Pima Community College

Total Program Credits: 60

Program Major Codes: AOAALA/ALA1/ALAH

www.pima.edu/history-aa

Program Details

Study the origins and development of society by taking courses that focus on the history of regions, countries and peoples from pre-historic times to the present.

Career Options/Outcomes

After completing a bachelor's degree, you are prepared to teach, pursue historical research, or work in museums. Additionally, seek employment in journalism, law, government, or business.

Pre-requisites/Placement

Students must meet prerequisite standards before taking MAT 142 and WRT 101 required in the pathway.

Placement tests needed: Reading, writing and math

Academic Options

Continue studies toward a bachelor of arts in history, education, or the other social sciences. All courses in Pima's concentration are not required at all transfer universities, but provide a good lower division preparation for history majors.

Skills Gained

- Utilize techniques of historical investigation and analysis.
- Distinguish between reliable scholarly sources and unreliable sources.
- Think clearly and analytically and gain the skills to communicate effectively both in writing research papers and oral presentations.

Semester Pathway

This pathway is a suggested sequence of courses for full-time students. Part-time students or those with specific interests or transfer needs are encouraged to work with an advisor to develop a unique academic map.

General Education Note: When General Education (Gen. Ed.) credits are listed below, select from the appropriate General Education course list linked from the program website. Some programs recommend specific courses.

Semester 1 (Total: 14 credits)
