

Business Administration Associate's Degree – Transfer

Program Provider: Pima Community College

Total Program Credits: 65

Program Major Codes: AOBBUSIADMIN/BUD1

www.pima.edu/business-admin-abus

Program Details

Jumpstart your business career this degree is designed for students interested in transferring to a university and pursuing a 4-year Bachelor's Degree. Topics Covered:

- Financial and Managerial Accounting
- Statistics
- Computer Applications for Business
- Economics
- Analytical Methods in Business

Career Options/Outcomes

This degree is designed for transfer rather than for direct employment. After completing a 4-year degree, students are qualified for a variety of business careers including accounting, finance, management, and marketing.

Skills Gained

- Identify and understand basic theories, principles, practices and terminology related to each functional area of business.
- Perform basic functions appropriate to each functional area of business.
- Demonstrate competency in the areas of critical thinking, decision-making and problem-solving (reflect, analyze, and apply).
- Communicate effectively using oral, written and non-verbal techniques, to include the use of technology, in the gathering and presentation of information.

Pre-requisites/Placement

Students must meet prerequisite standards before taking MAT151 and WRT101 required in the pathway.

Placement tests needed: Reading, writing, & math

Academic Options

Substantially fulfill the freshman and sophomore course requirements for admission to a 4-year university to complete your Bachelor's Degree in business.

Important Information: To receive your Company Tuition Benefits and Pearson Academic Support Services, please make sure to create an inquiry through your company's specific benefits page. Please do not apply directly to Pima Community College.

Accelerated
Pathways

Semester Pathway

This pathway is a suggested sequence of courses for full-time students. Part-time students or those with specific interests or transfer needs are encouraged to work with an advisor to develop a unique academic map.

General Education Note: When General Education (Gen. Ed.) credits are listed below, select from the appropriate General Education course list linked from the program website.
